SENATE RESOLUTION

MADAM PRESIDENT:

I offer the following resolution and move its adoption:

A SENATE RESOLUTION urging the Legislative Council to assign the topic of automated traffic control systems to a committee for further study during the interim.

Whereas, it is important to maintain the safety of workers of a construction or maintenance zone from speeding motor vehicles by installing an automated traffic control system in the construction or maintenance zone and issuing traffic tickets to violators;

Whereas, the running of red lights at intersections results in an estimated one hundred thousand motor vehicle accidents and one thousand fatalities annually in the United States; and

Whereas, automated traffic control systems is an important topic affecting Hoosiers that deserves serious consideration from the legislature; Therefore:

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

1 SECTION 1. That the Legislative Council is urged to assign the
2 topic of automated traffic control systems to a committee for study and
